

## HIDDEN MICKEY HUNT

### Instructions

There are magical features everywhere at Disney Parks, even hidden in plain sight. Prepare Mickey fans to spot “Hidden Mickeys” before their next Disney Parks visit with your very own Hidden Mickey Hunt.

1. Before your party, cut out the Hidden Mickey Cutouts on the following page and hide them in clever places throughout the party area.
2. As guests arrive, pass out a Hidden Mickey Scorecard (included in your kit) to each child and write their name at the top.
3. As each child finds a Hidden Mickey, have them put a check mark on their scorecard.
4. The first child to fill their card, or the child with the most checks on their card at the end of the party wins!

*Bonus: At the end of the party, hand out another Hidden Mickey Scorecard for each child to take home for use on their next visit to Disney Parks.*
