

MAGIC MATCH

Instructions

Learn about the endless fun and incredible attractions at Walt Disney Parks and Resorts while testing your memory and recognition skills!

1. Cut out the squares on the following page.
2. Mix up all of the squares and place them in rows, face down, with only the "The Magic Is Endless" logo showing.
3. Have each child take a turn flipping over any two squares. If the squares don't match, it is the next player's turn. If the squares match, they can collect their match and take another turn. The player with the most matches at the end of the game wins!
